Apologies that our new map is quite difficult to read, especially the parking areas. I have attached an older (clearer) version as another file.

We will begin our meeting in the faculty commons in Cossitt Hall (#10, right next to the Worner Center #5). Visitors can park in any of the lots on the weekend, the closest being C1 (just north of Tutt library), W3 (north of the Boettcher Center) and C2 (just east of Armstrong Hall) on the map. Street parking is also available on Cache La Poudre St.

Directions. Take Exit #143 (Uintah Street) off Interstate 25 and go east (away from the mountains) to Cascade Avenue. Turn right (south) and you will be on campus. Cossitt Hall and the Worner Center face Cascade Avenue.
