CONSTITUTION REPORT- ELLIOT
Election Update- Elliot
The mandatory election meeting will occur this Thursday 9/13 at 12:15pm. We are still promoting the election to various student groups including OMIS groups. We should encourage people to run for office.

DIA Bus Proposal

Mental Health
Charis will be meeting with Heather Horton and Kathleen to talk about promotion of mental health issues on campus. Next Monday, Charis is meeting with Spill, Grow, DAWG, SOSS, Bill Dove and Heather Horton to discuss how our organizations can best collaborate with each other. They will also be in touch with Jan Edwards.
Half block community service
Charis is meeting with CCE representatives to go over how a half-block service initiative might work. She will also touch base with Lani Hinkle from PIFP to see how a community service initiative could go forward.

FINANCE REPORT- STANLEY
First, this year CCSGA has no rollover funding. It was spent last year. The usual $25,000-$40,000 rollover was less than $1 this year.

Second, last year, the club budgets were awarded 180% more than they were previous years.

Third, College administration gave us less than in previous years.

Therefore, this year we have $40,640 left for events funding, whereas we should have $120,000 or more. $179,000 has been promised out to clubs. Stanley is calculating how much he can cut each club’s budget. He can probably cut about $50,000 off each club’s budget.

Nathan suggested having a special finance meeting. We will have it Friday at 4pm.

Stanley wanted to separate the club budgets into two semesters. It might require a constitutional amendment.

OUTREACH REPORT- NATHAN
Panhandling
The panhandling letter was submitted to the City Council. Pat is also writing a column for The Catalyst.

Conduct
Pat met with Paul York about the Student Conduct Committee. Paul York is eager to meet with CCSGA to discuss conduct issues.

Institutional Review Board

Student Bill of Rights
Pat is looking for ways to proliferate the Student Bill of Rights. Pat proposes placing the Bill of Rights in Worner boxes to galvanize student support.

Endowment
Pat met with Student Trustee Samantha Barlow and talked about ways to increase the school’s transparency with endowment. Pat is thinking about October having a panel discussion about endowment transparency. Pat is meeting with Samantha on 9/19 at
6:30pm.
Pat proposed that CCSGA executive council should support unmitigated access for students, staff and faculty to endowment information and a forum for unrestrained critique. The decision was approved 5-0.
