

Campus Sustainability Council (CSC)

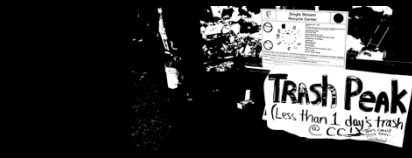

Why sustainability at Colorado College?

The Colorado College mission commits us to provide the highest quality education. Among our core values are to live with integrity, nurture a sense of place and an ethic of environmental stewardship at the national and global levels; and seek excellence, consistency, and excellence in the Colorado College community; it's who we are and how we live.

Office of Sustainability

Students for Environmental Action (EnAct)

Bon Appétit

Socially Responsible Investment Club

EcoReps

CC Garden

Synergy House

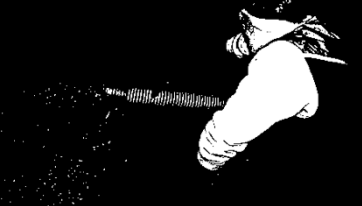

Champions

The Bike Co-op

Mobile Lab & Energy Audits

These groups, along with others, work collaboratively and separately like pieces of a puzzle to achieve the sustainability goals of CC.
