

AS OF MARCH 1

THIS IS OKAY

THIS IS OKAY, TOO

WEARING A MASK IS OPTIONAL

All may choose to wear a mask at any time, for any reason. KN95/N95-type masks are the most protective.

You may be required to wear masks in the classroom.

Isolation and quarantine protocols remain the same.
Students: Continue to participate in screening.

Please continue showing respect and consideration for the health of others.

Scan the QR code to view the latest COVID-19 data dashboard to help you determine whether you should wear a mask.
