

# Colorado ASDA Predental Day

Saturday October 8th, 8:30 am-3 pm

8:30 - Breakfast

9-12 - Lecture

12-1 - Lunch and group photo

1-3 - Drill lab

The national American Student Dental Association is having Predental Week from Oct. 2-8. In solidarity with the national event, we are having our own events here on the CUSDM campus. The grandest of these events is the Predental Day on Oct. 8th. At this event, we will have breakfast and lunch provided for you. The morning lectures will cover Dentistry as a whole, applying to dental school, and the methodology needed for the afternoon drill lab. The price is **\$32.64** (The extra 2.64 is Eventbrite's charge), and you can sign up through our Eventbrite webpage (link at the bottom of the flyer). Hope to see you there!
