# TIPS & GUIDELINES

Welcome and thank you for visiting the Fine Arts Center, we hope you have a wonderful experience! Below are a few tips and guidelines on how best to enjoy the art, respect the art, and show courtesy to your fellow visitors.

## Enjoy the Art

- Photography is **ENCOURAGED** without a flash. (#fac if you're sharing online!)

## Respect and Protect the Art

- The art in our galleries loves to be looked at, but **please don't touch**. (Unless you are in the Tactile Gallery of course!)
- Please leave umbrellas, backpacks, and other large items in the coat room or your vehicle, and store or dispose of all food, beverage, gum, candy, etc.
- We ask that you use pencils only for any note taking, sketching, journaling, etc. in the galleries.

## Make it a great experience for everyone!

Be respectful of others enjoying the galleries by:

- Speaking softly and silencing your digital devices
- Never running or taking part in horseplay

Parents, teachers and chaperones – thank you for reminding younger museum explorers of the guidelines above and always keeping them close to your group.
