Trade & Intercultural Exchange in the Southwest

What influences art across a region?

Some influences over time include:

- Different cultures *trade* materials and ideas
- Availability of materials changes
- Reasons for creating art changes

What influences art across a region?

As you look at the art on the table,

1. What **similarities** and **differences** do you see?
2. Describe any color, lines, shapes and textures.
3. What materials do you think were used to create the art?
4. What might be the purpose for this art?

Trade & Intercultural Exchange in the Southwest
