I have held leadership positions in a club that I founded entitled "The Forum", which was a group that discusses controversial issues and held general discussions on a wide range of topics.I was a head youth leader for an Islamic Toastmasters held at my local mosque and served as a role model for young Muslim Americans. I also participated in Choir for two years and moved to the varsity choir where I was a group leader for the Bass section. | For first block I am participating in a play,rehearsals will be from 8-10 everyday with a performance during the last week of the block.I am auditioning for The Back Row and am also planning on attending Greek Life events.There is a possibility that I may be spending a semester abroad during the Spring semester. |

| 9/9/2012 9:00:39 | Jamie Peng | 1248 | | jamie.peng@coloradocoll | 2016 | Mathias Hall Representative (1 position) | Yes | I would like to see CCSGA foster a greater sense of community on campus by planning events encouraging interactions between all the classes and between those with different interests. In my district, I want to get residents throughout the whole building to interact with one another, as I feel this will feed into the larger goal of a sense of community and create respect for our common living area. To improve and strengthen the relationship between CC and the community of Colorado Springs, I would like to start more volunteer and outreach programs that the student body can participate in. | In high school, I was a 4-year member of varsity cross country and track, Event Coordinator of American Red Cross Club, and Fundraising Officer of Quantum Physics Club. I was also a member of National Honor Society and California Scholarship Federation. | I am on the cross country and track team. I do not plan to study abroad this year. |

| 9/9/2012 10:00:53 | Rhys Louis | 911 | | rhys.louis@coloradocolle | 2016 | Loomis Hall Representative (1 position) | Yes | I would like CC to move in a direction where respect forms the basis for everything that we do. An essential part to a community, respect towards one another and to the surrounding community will make sure that every opportunity for CC students to learn and grow remains available. | I was a member of the Student Planning Comite in Highschool that planned every social event on campus. I was Fire Chief of our Student Fire Brigade and the most active firefighter in the brigade. I was two year captain of our cycling team bringing it from a respected program both on and off campus. | This year I will be playing Club hockey in the fall and winter and Club cycling in the spring. I also would like to see it address problems within the community in relation to CC and allow the CC community to work with the Colorado Springs community to maintain a balanced relationship. | As a senior high school I was President of Ecology Club, Parliamentarian of Science National Honor Society, and Treasurer of Science Competitor's Club. I also played varsity water polo for three years and co captained my third and final year. In addition, I was captain of my school's National Ocean Science Bowl team two years in a row. | I am unsure about if or when I will be off campus more than one week. I do want to study abroad, however that will probably occur in upcoming years and not our current year since I am only a freshman. |

| 9/9/2012 19:20:17 | Ryan Haas | 889 | | Ryan.Haas@coloradocoll | 2013 | East Campus Small Houses Representative (1 position) | Yes | This year, CCSGA needs to focus on uniting students interests and concerns with action and involvement. CCSGA must further catalyze collaboration between likeminded groups and provide the resources and information to achieve their mutual goals in an accessible and supportive manner. I will advocate for the student voice through additional town hall meetings, policy panels, and internal representation. Student rights will be at the heart of my work in CCSGA this coming year. | Perviously, I served on CCSGA's Student Concerns Committee and acted as Western-Ridge Representative. In my time at CC, I have worked with EQUAL (LGBT Activist group), QSA, Office of Minority and International Students, Disabilities Awareness Group (DAWG), Minority Concerns Committee, Curriculum Committee, Theater Workshop, four Drama Department productions, and the All-College Anti-Discrimination Panel. | In addition to my administrative involvement and continued work with the organizations listed above, I plan to complete a senior thesis, coach a Longform improvisation team, and direct the Drama Department production of Peer Gynt (blocks 1 & 2). I also plan on working with the Central Planning committee. |
| 9/9/2012 20:22:33 | Paul-Miki Akpablie | 1988 | | Paulmiki.Akpablie@colorado | 2016 | Mathias Hall Representative (1 position) | Yes | CCSGA has to involve students more in the decision making process in our community. CCSGA has to create a platform to allow students voice out their opinion and also create a sense of community involvement and cultural integration. | I have been a strong member of United World College student Representative Council. I was the head of school maths buddies and filming and editing group. | My only time commitment is work study which is quite flexible and most happens during weekends. |

| 9/9/2012 21:58:43 | Erik Laitos | 1105 | | erik.laitos@coloradocoll | 2015 | At-Large Representative (4 positions) | Yes | I believe that a college campus is an integral component of the community, serving as a hub of intellectual activity and volunteer effort. I would like to see CCSGA take a more active role in asserting that status. A wide-ranging array of socio-cultural and intellectual events open to the Colorado Springs community at large, alongside the traditional campus-oriented atmosphere, would help break down the ever-present barriers that exist between our school and community. On campus, addressing the role of CC's questionable use of water, and its HUGE impact on the delicate environment of the state, is definitely worth addressing. In addition, a study of student opinion with respect to which campus buildings/facilities should be renovated/improved upon could help address a perceived lack of involvement in campus development. | At CC: Member of varsity swim team, intern for Organizing for America (Obama reelection effort), member of CC Young Democrats, Admissions Office volunteer, lifeguard at Schlessman Natatorium. | 9/10/2012 18:11:09 | Samantha Albert | 1994 | | Samantha. Albert@coloradocol | 2015 | West Campus Small Houses Representative (1 position) | Yes | I would like to see CCSGA do more "town hall" type meetings in which students can sit in - i.e. more dialogue with the student body. Perhaps this could include more student surveys, more all campus events, maybe even campus debates on important issues. In my district specifically I would like to see more community events both within the small housing area but also connected to the larger campus - these could range from simple talks about international and domestic issues, to diversity events promoting language and culture. I would also like to see if there is a possibility to establish more laundry facilities in the small housing area - as currently the majority of the small houses share 4 washers and 4 dryers with other housing facilities. | During high school I was vice president of my school's chapter of NHS, I was a member of the speech and debate team, and also held a position on my school's International Baccalaureate (IB) council. Outside of school I volunteered as a high school intern working for Obama's presidential campaign - this was a strong leadership role that initiated my interest in government and political science. My first year at CC I was involved in CCLIM (a volunteer organization that works with middle school students, encouraging their involvement in outdoor education programs). This year I am planning on being heavily involved in Spanish language and culture programs put on by the Spanish department and Spanish house. | The only time commitment I plan on having this year is my involvement with CCLIM - which is not an excessive time commitment. I am also planning on doing a block abroad 6th block in Costa Rica. |
