Minutes

Meeting Start: 7:00 PM

Updates:

Office Renovations in progress

Discussion with Michael Sawyer What is “Black” about “Black Lives” and why does it matter?:

Relationship between police and race

 Give ourselves a space for the philosophical background of issue

Alter terms of engagements in the mattering of black lives

 Defining what “black lives matter” means

Question of “mattering”

 Get past binary notion that “black lives matter” means others don’t

This is not new

 Killing of people of color without consequence has been a problem for a long time

Bad training because of bad philosophy and structure

Notion that we constantly have to defend against attacks

Have to get rid of the question of the “other”

 Person that doesn’t join the general will

How do we dismantle the context without destroying the subject?

 Relating to founding documents

Heads of State Bill delayed until 3rd week

Meeting End: 8:00 PM
