Motion to move on the previous question

14-0-0 Motion Passes

Passes first time, will come up again during third week meeting

Resolution – To establish indigenous people's day

School has already recognized it

Resolution written before, in support of school's decision

Motion to move on the previous question

14-0-0 Motion Passes

This resolution is complete

Resolution – SOSS as confidential resource

Time to read and consider taken

Endorses creation of peer confidential resources through SOSS

Resolution format, simply supports the administration creating positions

White house surveys indicated students wanted more peer to peer confidential resources

Only Chaplains office, SARC, and counselling center at the moment are confidential resources

Resolution will give input to administration on the issue

Administration tends to respect CCSGA input through resolutions

Motion to move on the previous question

14-0-0 Motion Passes

This resolution is complete
