

# 5 UNDER 25

## ERIN CONNER, ENGLISH LITERATURE '14

Corporate Image Developer // Rocky Mountain Air Solutions

Hardened by the likes of Dostoevsky, Joyce, and Bronte, Erin Conner '14 was prepared to tackle the first big post-grad challenge with tenacity: finding a job. After searching high and low, and throwing in a few somersaults in self-discovery, she landed a unique position at a company called **Rocky Mountain Air Solutions** where her job focuses on projects that deal with long-term company strategy. Analysis, solid writing skills, and endless questions allowed her to cultivate her position into what it is today: translating the core business concepts into internal company dialogue for long term company growth.

While at CC, Erin played in the orchestra, participated on the **Disability Council** and worked at the **Career Center**. She continues to advocate for the disabled community in her spare time through a variety of organizations.

**Meet Erin in Block 4 // December 5, 12:15 // Career Center**

Erin is part of the **5 Under 25** series from the Career Center, which features CC alumni under the age of 25 in a variety of fields.
