Summer 2019 Programs

Transforming the asset management industry by bringing more women into portfolio management

In North America, less than 10% of portfolio managers are women. Girls Who Invest is transforming the asset management industry by bringing more women into portfolio management and leadership positions.

In these rewarding roles, you could finance the next big start-up, or grow the funds needed to bring clean water to an impoverished community. Become the next generation of women industry leaders!

2019
Program Application
Now Open For All Majors

Deadline For Early Decision
is Sep 30, 2018. and
Regular Decision
is Nov 29, 2018

Girls Who Invest is a registered 501(c)(3) non profit.

Girls Who Invest Summer Intensive Program

- **Four weeks on campus** at a university, such as the University of Pennsylvania or University of Notre Dame, learning core finance and investment concepts from top professors and building relationships with industry leaders, all with **free tuition, room, and board on-campus**.
- **Six-week paid internship**—secured by Girls Who Invest—at a leading asset management firm.
- Access to a supportive professional network and the GWI private job board upon graduation from the program.
- Additional resources to help you succeed, such as Bloomberg Terminal training, interview preparation, and **one-on-one career coaching**.
- Accepting applications from sophomores working towards a degree from a U.S. College or University.

Girls Who Invest Online Learner Programs

- Freshmen and sophomore women studying at U.S. colleges and universities can join the GWI community through our tuition-free, self-directed online programs.
- Online programs include the Wharton Online Financial Modeling Program and the CFA Investment Foundations Program™.
