**Philanthropy Fellowship:** Seeking a career that makes the world a better place and pays well? Apply for the summer GIV Fellowship!

## Step 1

### Read About Program

The GIV Fellowship is a philanthropy internship program for young adults from underserved/underrepresented communities and identities to: 1) gain experience in the field, and 2) provide community & youth insight into foundation operations.

Program is located in metro Denver, CO, and pays \$17/hour for 30 hours/week from 6/13/22 - 8/5/22.

## Step 2

### Check Eligibility

- Are you 18-24 years old?
- Do you represent an underserved or marginalized community or identity?
- Do you want to make the world a better place?
- Are you a Colorado resident who will be in metro Denver during Summer 2022?
- Are you authorized to work in the US?

## Step 3

### Apply Online

Complete a short(ish) application online at [www.youthroots.org/giv](http://www.youthroots.org/giv) by February 24, 2022.

The application not only gives us a good sense of who you are and what you will bring to the fellowship, but also helps match participants with host foundations.

## Step 4

### Placement

Connect with a GIV representative to learn more and discuss your application during a 20-30 minute Zoom meeting.

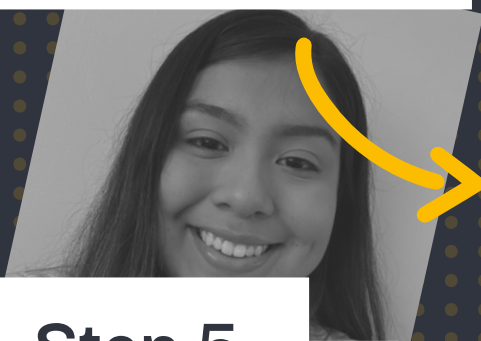

Participants will be placed based on desire to impact community, ability to provide perspective that is underrepresented in philanthropy, and ability to excel in program.

## Step 5

### Start!

Participants will be notified about placement by April 4.

Program will begin June 13 and run through August 5. Participants will split their time between working together and learning as a cohort (10 hours/week) and being embedded in host foundations in pairs (20 hours/week).
